Programme budget for the biennium 2000-2001

Report of the Fifth Committee

Rapporteur: Mr. Eduardo Manuel da Fonseca Fernandes **Ramos** (Portugal)

I. Introduction

1. At its 9th plenary meeting, on 11 September 2000, the General Assembly, on the recommendation of the General Committee, decided to include in the agenda of its fifty-fifth session the item entitled "Programme budget for the biennium 2000-2001" and to allocate it to the Fifth Committee.

2. The Fifth Committee considered the item at its 2nd, 6th, 32nd, 33rd and 37th to 43rd meetings, on 19 September, 2 October, 27 and 29 November, 12 to 15, 18, 21 and 22 December 2000. Statements and observations made in the course of the Committee's consideration of the item are reflected in the relevant summary records (A/C.5/55/SR.2, 6, 32, 33 and 37-43).

3. In accordance with the criteria for the use of the contingency fund annexed to General Assembly resolution 42/211 of 21 December 1987, the Committee, at its 43rd meeting, on 22 December 2000, considered a consolidated statement of all programme budget implications and revised estimates that were subject to the criteria for the use of the contingency fund. The consolidated amount fell within the available balance of the contingency fund. The Committee therefore proceeded to approve the required amounts under the relevant sections of the programme budget.

4. Section II of the present report provides a summary of the recommendations of the Fifth Committee during the fifty-fifth session of the General Assembly on the revised estimates submitted by the Secretary-General and on the programme budget implications of resolutions adopted by the Assembly, either on the recommendation of its Main Committees or in respect of items considered in plenary meeting.

* Reissued for technical reasons.

6. The recommendations of the Fifth Committee are contained in section IV.

II. Programme budget for the biennium 2000-2001

7. In its resolutions 54/250 A and B of 23 December 1999, the General Assembly approved budget appropriations for the biennium 2000-2001 in the amount of $2,535,689,200 and income estimates in the amount of $361,298,900.

8. Recommendations of the Fifth Committee during the current session of the General Assembly on revised estimates submitted by the Secretary-General, as well as on the programme budget implications of resolutions adopted by the Assembly under items considered by other Main Committees or in respect of items considered in plenary meeting, have resulted in a net decrease in the approved level of appropriations in the amount of $2,563,800 and a net increase in the approved income estimates in the amount of $19,523,800.

The General Assembly takes note of the reports of the Secretary-General on the revised estimates resulting from resolutions and decisions adopted by the Economic and Social Council at its substantive session of 2000[19] and, with respect to the related recommendations of the Advisory Committee on Administrative and Budgetary Questions,[20] authorizes the Secretary-General to enter into commitments not exceeding 856,400 United States dollars for the purpose of implementing the resolutions and decisions adopted by the Council at its substantive session of 2000 for activities approved,[21] and requests the Secretary-General to report thereon to the General Assembly at its fifty-sixth session in the context of its consideration of the second performance report.
